- Applicant's canceling of claims 1-9, 14, and 17-21 in the amendment/response submitted on 8/02/04 is acknowledged.

***Reason for Allowance***

1. Claims 10-13, 15-16 and 22-26 are allowed for the following reasons:

The instant application is deemed to be directed to a nonobvious improvement over the invention patented in Pat. No. Gutin et al. (US 6421179 B1).

Claims 10-13, 15-16 are allowed because the prior art of record, taken alone or in combination, fails to disclose or render obvious wherein the entering area is narrower than the core diameter of said light waveguide, and around the entering area a vapor deposited opaque metal layer is provided in combination with the rest of the limitations of the base claim.

Claims 22-26 are allowed because the prior art of record, taken alone or in combination, fails to disclose or render obvious wherein the first end of the light waveguide is only sloped on both lateral sides of the entering area designed rectangularly; wherein the first end of the light waveguide is sloped such that light entering into the sloped surfaces is not further guided in the core of the light waveguide. in combination with the rest of the limitations of the base claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
